

Subject: RoHS2 Statement

The Commission of the European Union has legislated to put the following new directives in force effective from July 1, 2011.

- Restriction of Hazardous substances (2011/65/EU)

The Restriction of Hazardous Substances (RoHS2) directive (2011/65/EU) prohibits the use of the following substances:

- Lead (0,1 %)
- Mercury (0,1 %)
- Cadmium (0,01 %)
- Hexavalent chromium (0,1 %)
- Polybrominated biphenyls (PBB) (0,1 %)
- Polybrominated diphenyl ethers (PBDE) (0,1 %)

VPS confirms that, to the best of our knowledge, all of our products (except for the products with a Pb HASL finish), do not contain any of the substances prohibited by directives RoHS2 (2011/65/EU).

To support the ban on lead . VPS advises customers to use the Pb FREE finishes.

All our ROHS2 compliant PCB's are labelled with an "lead-free" logo situated on the PCB packing label.
