Subject: REACH Statement

REACH is an European Community regulation on chemicals and their safe use (EC 1907/2006).

It deals with the **R**egistration, **E**valuation, **A**uthorisation and restriction of **C**hemical substances. The REACH Regulation entered into force on 1 June 2007.

V-PS is an *article producer* (downstream user) as defined in the REACH regulations.

According to REACH definitions V-PS PCB's are not classified as "substances" but as "articles" which do not require registration or pre-registration.

V-PS confirms that, to the best of our knowledge, all of our PCB's do not contain any of the substances included in the European Chemicals Agency (ECHA) candidate list of "Substances of Very High Concern" the latest issue, nor do they contain any substances intended for release in normal or foreseeable conditions.

More information about REACH can be found on the ECHA website.
